Questions for Answers on the day (but not taken up)

N. R. W. S. Scheme in Aland Taluk

905. SRI A.B. PATIL (Aland)–Will the Minister for Rural Development and Panchayatraj be pleased to state.—

(*a*) When the N.R.W.S. Scheme has been taken up in Aland;

(*b*) the stage at which this Scheme stands in Belagera, Thadakal Khajuri Golabhi villages in particular?

SRI B. RAMAIAH (Minister for Rural Development and Panchayatraj).—

(*a*) The N.R.W.S. Scheme was taken up in Aland taluk from 1966-67.

(*b*)-1. **Belegera village.**—Borewell has been dug out under Water Supply Scheme for this village. Due to failure of Borewell, the Department of Geology has been requested to find out the water resources under the N.R.W.S. Scheme.

2. **Thadkal village.**—Two Borewells and a well has been dug out for Thadakal Water Supply Scheme. Due to failure of Borewells, the District Development Board has resolved for supply of water from the well of Munoli which is 6KMs away duly including in the priority list of 1982.

3. **Khajuri village.**—Consequent on failure of water from the Well and borewell under the Khajuri village water supply scheme, another well at a distance of 5½ K.Ms. has been dug-out. Supply pipes have been installed from the well upto the village. The work of water tank and fixing up of pipes is in progress. Drinking water will be supplied as early as possible by lifting water directly.

4. **Golabhi.**—Construction work of water tank and fixing up of Pipes in the village for water supply to this village is going on. The Borewell work has been completed and K.E.B. authorities have been requested for supply of power. All necessary steps have been taken for supply of water to this village as early as possible.

Number of Employment Exchanges set up in this State.

936. SRI C. APPAJI (Kanakapura) Will the Minister for Labour be pleased to state.—

(*a*) no. of Employment Exchanges set up in the State.;

(*b*) during 1980–81 how many jobs were filled through Employment Exchanges;
